Important Information for Open Meet competition

AGE GRADES & ELIGIBILITY TRACK & FIELD & COMBINED EVENTS COMPETITIONS

Age restrictions as follows, as per ANZ By-Laws C1.2 (Age Definitions) and C3-2 -Eligibility, paragraph 2

An athlete competing in either the U20 Men or U20 Women and U18 Men and U18 Women grades shall be aged 14, 15, 16, 17, 18, or 19 years on the **31st December in the year of competition.**

An athlete competing in either the Senior Men or Senior Women Grades shall be aged 16 years or over on the **31st December in the year of competition.**

Masters Athletes: An athlete competing in Masters Men grades shall be aged 35 years and over, or for Masters Women grades aged 30 years and over, on their birthdays as per Masters Age Definitions.

Each Age Group has a minimum age where athletes are eligible to compete.
Any athlete younger than the minimum age is required to compete in children's competitions.

The Management Committee of AWBOP on application in writing may at their sole discretion permit an athlete who is ineligible to compete in a specific event.

Entry to Open Meet Competition

\$5 entry fee per athlete applies to AWBOP Open Meets. This is to be paid on arrival, and entry slip completed. Entries for events will close 30 minutes prior to each event. The same fee and entry time conditions apply to children competing at senior meets. Unregistered athletes may compete at these open meets for a fee of \$10.

IAAF false start rules apply to all AWBOP meetings- i.e. an athlete, after assuming a full and final set position, shall not commence his start until after the report of the gun. If, in the judgment of the Starter or Recalls, he does so any earlier, it shall be deemed a false start. Except in combined events, any athlete responsible for a false start shall be disqualified- see IAAF rule 162.6,7,8

GRADE UNDER 16

AWBOP has a grade under 16 (age as of 31st December 2018). Athletes will stay in this age grade all season - the same as with children's grades. This grade fits between children's grade 14 and the Under 18 grade. Events for this age grade will be held at all open meeting and AWBOP championships for both boys and girls. This new age grade is not a New Zealand Championship Grade.

Events for this Grade are **Girls:** 100, 200, 400, 800, 1500, 3000, 80M Hurdles (762) Long Jump, High Jump, Triple Jump, Shot (3kg) Discus (1kg) Javelin (500g) Hammer (3kg). **Boys:** 100, 200, 400, 800, 1500, 3000, 100m Hurdles (840), Long Jump, High Jump, Triple Jump, Shot (5kg) Discus (1.25kg) Javelin (600g) Hammer (4kg).

Records

Must be the actual age at date of performance - not as per Age Grouping

Note: Athletics NZ now maintain record performances in yearly steps - but Athletics Waikato-Bay of Plenty does not.

Open Meeting Competition Fee for Registered Athletes -\$5 (can compete in as many events as wanted)

Open Meeting Competition Fee for Non-registered Athletes -\$10 (can compete in as many events as wanted)

New Zealand Technical Officials Education and Qualification

Become an official - or improve or extend your qualifications if you are already a qualified official. You will serve your club better on club nights as well as the wider athletics community at ribbon days and interclub events. You can even be involved at national (e.g. Colgate Games and Porritt Classic), and international level if you want.

Athletics New Zealand has an officials' education and qualification scheme (ANZOES). The Centre has Heather O'Hagan to undertake the training of officials. The goal is to provide people with initial training regarding the rules and procedures for athletics officiating, and then to provide the opportunity to gain experience and advance their qualifications.

Courses can be arranged for a Sunday anywhere in the Centre, or on a series of week-nights. The Sunday courses usually take from about 9:30am to 2:30pm, including a written test. The week-night courses would require at least two 2-hour sessions.

Level C & B

Level C is the initial level for recognition by Athletics New Zealand. It is suitable for people who help at club nights, ribbon days and inter-club competitions. Level B is for people who have done the initial level and gained further practical experience (15 days above club-night activity) and can therefore accept more responsibility.

Level A

Level A courses are for people with comprehensive experience and likely to be asked to officiate in key positions at major meetings such as league and championships. In the 2 years after qualifying at Level B a further 15 days officiating experience is needed including duty at an Athletics New Zealand Championships.

Officiating Activities

ANZOES is divided up into specific areas so people may qualify in Jumps, Throws, Track, Walks and Non-Stadia. There is also provision for measuring road courses and for officiating for athletes with a disability.

If you would like to arrange training for your club officials, contact Heather:

Coach Education & Development

Clubs in the AWBoP region are building an excellent base of coaches and this is reflected in the very good results achieved by school, club and centre teams last season at National Championships and at North Island and regional competitions. We are indebted to all those volunteer coaches who are sharing their time and knowledge with both young and old in our centre to make sure that progress continues to be made.

Athletics NZ Coach Education

The Athletics New Zealand Coaching Programme has a number of elements and options available for people who wish to start coaching and for those who wish to improve their skills and coaching qualifications.

For more information about coaching see: www.athletics.org.nz/Get-Involved/As-a-Coach

Run Jump Throw Athletics

These courses are the first step in the Athletics New Zealand Coach Education programme. They have become very popular for primary and intermediate schools and children's athletic clubs. The course emphasises teaching of basic athletic skills to children.

Run Jump Throw is all about developing athletics-specific skills in a fun, inclusive way that encourages Kiwi kids' to participate in athletics. Designed for 6-11 year olds, Run Jump Throw allows athletics clubs and schools to easily teach the foundation skills of athletics in a positive, supportive environment, where participants learn and are challenged at their own pace. The programme uses modified equipment and games to help maximise participation and enjoyment. For more information see: <http://kidsathletics.nz/run-jump-throw>

Get Set Go

Get Set Go is designed to help Kiwi kids (aged 3-8 years) enjoy being more active through play and sport. The programme provides educational, developmentally- appropriate, fun activities that build and develop children's basic fundamental movement skills.

Get Set Go helps increase teachers, athletics clubs, coaches and parents understanding of the importance of movement, play and positive experiences for children. It provides professional development tools and quality resources around the assessment, planning and development of fundamental skills within a broad child-centred framework.
