

Waikato/Bay of Plenty Children's Championship

14th March 2020

9.30am start

Tauranga Domain, Tauranga

Entries close with Sandra Murray on Thursday 5th March 2020

Absolutely no late entries will be accepted.

Clubs: please ensure all athletes in your club are registered on the data base prior to the 1st March, as any athletes not listed are unable to compete at the Champs.

Please read the rules carefully before entering individuals, as not entering individuals to the rules will result in disqualification.

Team Managers please don't forget that athletes that competed in the **Walks** and **Triple Jump** can only further compete in 2 or 3 events. These events are included as part of their entry choice. Also remember that of the **track events, only two may be distance - the 400m, 800m and 1500m races are distance events.**

All entries must go through your Club Secretary. Only one (1) club cheque per Club will be accepted. Also please ensure that the people in your club that are responsible for enrolments and registrations, double check that the financial box is ticked.

Please make all cheques payable to: **Waikato/Bay of Plenty Athletics or bank into their bank account 02 0320 0028416 00.** If you are making your payment online please indicate this on the form.

Please ensure that along with this form you send a **copy** of each athlete's entry. Individual entry copies are required for checking against any queries on Championship Day." This means that we won't need a "Summary sheet of Events"

Club Name _____

Number of Athletes entries attached _____

Total of cheque enclosed/Direct Credit \$ _____

Team Manager(s) for the day _____
