

UP-FRONT

Editorial

By: Bryan Mayall

Welcome to the second edition of our summer Up Front for the 2017-18 season. Thanks to our warmer and sunnier summer season our Masters will surely have a spring in their step. I am sure many of our Masters will be targeting the upcoming Oceania Masters Athletic Championships next month in Dunedin. I have no doubt this will be a magnificent event flavoured with the usual Dunedin hospitality.

Not too much of any real interest on the International sporting front. The dust has settled on our All Blacks performances and we can dwell on our near miss from the All Whites qualifying for the World Football Cup next year.

Looking ahead on our Masters sporting calendar I see where the WMA Stadia Championships will be held in Malaga Southern Spain on 5 -16 September 2018. For those Masters who have never ventured out of their comfort zone I would highly recommend going to this event either as a competitor of a supporter.

In conclusion all the very best to all our Masters for the remainder of the 2017-18 season. Also special thanks to all my contributors who have made this edition possible. Finally a very Merry Christmas to you all from our Up Front team.

Warm up Meeting Sunday 8 October 2017

Judy Chandler

Our first track and field meeting for the season weatherise could be called 'interesting'. Drizzle, rain and wind. It turned out to be a day for the sprinters and field event competitors.

Thank you Laini Inivale and Fuzzy Maiva for coming down from Auckland in this weather, always fun to have you here. Laini's wife Jo came too for her first time at one of our meetings, competing in all the throwing events. Also from Auckland Craig Seymour, especially to race the 200m.

Welcome to new members Annette Parlane, Brian Clayton and Michael Peck, good to see Gordon MacKenzie back again.

Stephen Te Whaiti, Sheryl Gower, Brian Clayton, Michael Peck

Sprint races 60m 100m and 200m

60m - Very close finish between Stephen Te Whaiti 8.4 and Michael Peck 8.7. Close too for second - Brian Clayton 10.4, Sheryl Gower 10.5.

100m – Gordon Mackenzie away in 12.6, Stephen Te Whaiti 13.5, Michael Peck 14.3, Sheryl Gower 16.8, Brian Clayton 17.7.

We had no competitors in the 400m, 800m, 1500m or 3000m and was too wet for the short hurdles race. No High Jump or Triple/Long Jump. I wonder where our middle distance runners were? Maybe having the Tauranga International Marathon on Saturday and the Hamilton Half Marathon on our Sunday may have made a difference?

Our team of nine enthusiastic throwers had a 'Field Day'. They sounded so happy out there even in the rain, I could hear them enjoying themselves. Thank you to Fay and Joan who were out in the rain with them recording all the way through. Thanks to the athletes themselves also who helped out in these interesting conditions.

Presidents Report Murray Clarkson

Since our last report we have had the following events:-

Oceania Throws Pentathlon This event was held again in Edgcumbe, our members being hosted by the Edgcumbe College Academy, who provided excellent Officials assistance and a welcome afternoon tea. Results are available on the website. There have been a few errors in the results which will be corrected.

Warm-up Meet 1 Held at Porritt stadium on 8th October.

It was disappointing that we did not have the numbers for any distance events and the day was limited to sprinters and throwers. We welcomed our friends from Auckland and four new athletes giving it a go. We trust they enjoyed our company and will continue to do so.

Warm-up Meet 2 Held at Porritt Stadium on 12th November.

A better turn-out this time with 15 taking part in the Throws events along with five in the longer distance events led to a more active meeting. Two new members joined along with a past member re-joining after a break from competing.

Christmas Meeting – 10th December This meeting was run in conjunction with an Open Meeting of the Waikato Centre. Our turn-out was limited due to another meeting being held in Auckland. We were able to take advantage of the electronic timing and were made welcome. I would like to try this again as our athletes were not intimidated by the younger competitors and it is good for younger athletes to see that there are older athletes around able to compete. Results were not available at time of writing.

Tauranga Track. As you are all aware , the Tauranga Domain track is currently being re-surfaced with the same surface as that of Porritt Stadium. This is budgeted at \$750,000 with 50% being funded by Tauranga Council. It is expected to be completed early February. We look forward to having a Track to train and compete on again in Tauranga.

A.G.M. The AGM of NZMA will be held in Whangarei at the NZ Champs.

Deadlines are looming for Athletes of the Year. Board Member nominations and remits. If anyone has any suggestions for these, our Secretary would be pleased to receive them. Consideration also needs to be made with regard to a new President for the future. I will be stepping aside as President at our next Annual General Meeting. In my last report I suggested that members keep warm and active. The reverse now applies. Keep cool over the Festive season and enjoy the Family contact at this time.

North Island T & F Champs Inglewood 24-25 November 2017

Track Report Bruce Solomon

The attendance Nationally and from WBOP was down on 2016 which was a missed opportunity for many Masters athletes to break some North Island records. The weather conditions were hot with very little or no wind. WBOP also had no female representation in the Sprints. Come on ladies...

Inglewood is a fantastic stadium and track with the most amazing Mt Taranaki backdrop which was visible throughout the weekend. A perfect Champs for my final M50 age group.

Stephen Te Whaiti, Stephen Burden & Hector Mein were the in form sprinters as the results reflect.

Morne' du Plessis, one of our newest members has been suffering with injuries for a while and unfortunately it flared up during the 60m resulting in him having to pull out of the 100m and 200m.

Stephen Te Whaiti and Bruce Solomon in 60m

It was great to see Les Williams competing in the Sprints, as well as to see Murray Clarkson joining the Sprint events as we usually only see him competing in the middle distances.

Track Results

		60m	100m	200m	400m	800m	1,500m

Throws Report Dave Couper

A small but hardy group of WBOP Throwers descended on Inglewood for the 2017 edition of the North Island Masters Athletic Champs. Championship Records and Personal Bests were the order of the weekend. With WBOP throwing legend Bev Savage as chief judge for most events the stage was set for some epic performances.

Tania Hodges was in supreme form. Personal Bests in four events and smashing the championship records for the Weight Throw(13.07m) and Throws Pentathlon(3195) were awe inspiring. Michelle Bitcheno in just her second was not to be out done. Multiple PB's showed the vast improvements Michelle has made in the last 12 months. Newcomer Annette Parlane had a good showing and came away with a championship record for the Discus. Theresa Large had victories in the Hammer, Shot put and Discus.

In the Men. Dave Couper came away with a record for the Throws Pentathlon and seasons bests in the Javelin and Shot put. Multi eventers, Stephen Te Whaiti and Stephen Burden seemed to be everywhere all weekend. Stephen Burden's bright boots did the trick in the Javelin, coming away with the win. Stephen Te Whaiti also had a javelin victory with an impressive 39.92m. Seems to be something

with WBOP and the Javelin. Hats off to the two Stephens on finishing the weekend with a 1500m in the Track Pentathlon.
