2022 Cross Country and Road Handbook

***Kerry White, winner of the
Senior Women's 2021 WBoP and
New Zealand Cross Country Championships***

**Welcome to Athletics Waikato-Bay of Plenty (AWBoP)
Cross-Country & Road section**

The information in this Handbook is an attempt to provide you with some basic 'know how' of our Sport's cross-country and road events.

It is not a full and complete guide, but there is information for athletes, clubs, event organisers and referees.

The calendar of events listed relates to events hosted by clubs within the AWBoP Centre, as well as National events. For these events to continue they need the support of athletes. Come and test your fitness levels against other athletes.

Social athletes and non-registered athletes can now take part in AWBoP Cross-Country, Road Racing and Mountain Running Championships, but are not eligible for a championship placing.

Athletes wishing to take a championship place **must** be registered with AWBoP as a competitive member through an **affiliated** Club.

The winter months are for all to walk, run, or jog, over farmland, in park-like surroundings, or out on the streets or roads. Come along and see what our winter sport is about. Regular cross-country and road running builds a good base for the summer months and any other sporting interest you may have.

The serious athlete, the slow and the in-between, the young through to the old
are welcome. *Bring the family along!*

REQUIREMENTS WHEN ORGANISING AN EVENT

Sanctioned Events

Sanctioned events are run under the competition rules of Athletics New Zealand, and receive the following benefits:

- Event management assistance, including access to Athletics New Zealand competition rules.
- Public liability Insurance Cover
- Support from Athletics New Zealand members.

Entry Forms and Fees

- Include the following words on the front of the entry form: The event is an AWBoP sanctioned event with the sanction number issued by AWBoP i.e. WBP 000
- Accepted entries will not be transferred to another athlete unless approved by the event organising committee.
- For all events organised by clubs affiliated with Athletics New Zealand (including fun runs with an entry fee greater than \$6.00) a competition fee / levy of \$3 per person entered (excluding children Grade 14 and under) is payable to AWBoP within 21 days of holding the event.
- Include contact name, phone number, or email address on the entry form.

Course Setting

- All courses should be clearly marked, so that competitors do not run off course. Taping is desirable on corners, especially on the inside. On cross-country courses, a single marker indicates that the competitor is to run within five (5) metres of the marker.
- Double markers indicate the competitor is to run between the markers.
- Road courses: the course should be measured on the shortest possible route that a competitor is able to follow on the section of road permitted for competition. It should accordingly be clearly marked.
- Set up a race finish chute to keep spectators separate from competitors, and to assist with the recording of finishers.

Health and Safety

- Full consideration must now be given to Health and Safety legislation at sanctioned events. Please see our website for a risk plan covering winter events, which can be used as a guide:
www.athleticswaikatobayofplenty.org.nz/Activities/Road-Cross-Country

Course measurement

- Road courses are to be measured by a graded course measurer.
- When planning a road event, check with your local Council for any Traffic Management requirements. If State Highways are being used or crossed, Transit New Zealand approval must also be sought.

At the event

- Display a race map and programme at race headquarters.
- Have a loudspeaker system available.
- Provide drink stations at the finish, and on course for longer events.
- Provide toilet facilities and appropriate medical assistance; e.g. First Aid kit, St John, nurse, or doctor. If using St. John's, booking well in advance is recommended.
- A preliminary set of results should be displayed as soon as possible after the event has concluded.

Race results

- Send copy of results to Centre administrator for placement on the AWBoP website
- Send results/story/photographs to local media.

REFEREES

Who is qualified to act as a Referee?

The list shown at the bottom of page 5 of the Personnel Directory is not complete but indicates some of the Referees currently available. Every AWBoP sanctioned event requires a Referee. These are appointed by the referee's coordinator prior to the event.

What is a Referee required to do?

Referee(s) are to ensure the event is conducted in accordance with Athletics New Zealand rules. They are also the representative of AWBoP and are required to give a written report on the general conduct of the event to AWBoP.

Duties

Referee(s) should inspect the course, then discuss with the organisers any deficiencies found in its marking, marshalling, start-and-finish arrangements, and any safety aspects. The organisers should make any changes that can reasonably be done at short notice, especially where safety is a concern - the responsibility for these matters rest with the Event organisers.

Referee/s shall decide what action (if any) is to be taken for any breach that they might observe of the rules of competition. In the event of a report or protest regarding an infringement, that they have **not** observed, the Referee/s may make enquiries, and shall decide what action (if any) is to be taken.

Referee/s decide any dispute about eligibility, calculation of team points, judges placing, times, etc.

Any contentious matters will be discussed and if need be, a report will be taken to the next AWBoP Operation Committee meeting.

Identification

Safety vests marked '**REFEREE**' are held by the Referee's Co-ordinator. The appointed referee should make their presence known to the announcer and advise competitors who have any queries to contact them at the announcers' position **prior** to the event.

JURY OF APPEAL

Club and Event Organisers should have available a three-person arbitration panel to deal with protests. This is particularly important if holding a major open event. (Refer to World Athletics Rulebook: No.12 - page 32 for further information).

PRIVACY ACT ~ HEALTH AND SAFETY ACT

Be aware that these two pieces of legislation may have implications for the way in which you organise your event. All clubs should familiarise themselves with the Health and Safety Act.

VOLUNTEERS

Don't forget to thank your volunteers and officials for their part in assisting with your event and consider reimbursing Referees their travel expenses.

SCHOOL EVENTS

Numerous School events are held throughout the Waikato Bay of Plenty with details available via Waikato Secondary School Sports <https://wsss.org.nz> and Sport Bay of Plenty www.sportbop.co.nz. We encourage clubs to maintain contacts with the Primary School and Secondary School Sports co-ordinators to be aware of events, to assist with events, and also provide contacts for recruiting young athletes into our sport.

WHO WILL REPLACE THE CURRENT OFFICIALS IN A FEW YEARS TIME?

Over the years these people have developed their knowledge, experience, and qualifications to be key harrier officials. Some even get asked to do duty in other Centres especially at New Zealand Championships.

We need new people now to become qualified to take their places. Clubs should be encouraging people to become qualified officials. That is starters, judges, timekeepers, finish line personnel, results recorders, race organizers, announcers and ultimately referees and course measurers.

Athletics NZ has a system to recognize people as qualified officials. Get your feet on the ladder by coming to a course, or if you already have the basic qualification come and take a step up.

Heather O'Hagan is the Centre's official's education person.
