

An aerial photograph of a track and field event. Several runners are captured in mid-stride, moving from the top left towards the bottom right. Long, dark shadows are cast by the runners onto the track surface, indicating a low sun position. The track is divided into horizontal lanes of different colors: red at the top, followed by yellow, orange, and blue at the bottom. The text 'ATHLETICS' is written in large, white, outlined capital letters across the red and yellow sections. Below it, 'WAIKATO-BAY OF PLENTY' is written in smaller, white, outlined capital letters.

Welcome from the President

Kia ora and welcome to the 2026-27 athletics season.

Whether this is your first year in athletics or your twentieth, I hope you enjoy the season ahead, and I want you to know we appreciate you being part of Athletics Waikato-Bay of Plenty. Our sport only works because of the people who show up week after week, regardless of role or level of participation. Athletics is a sport for all.

I come into this role from an extensive coaching background and have had the privilege of working with athletes across a wide range of development and abilities - school athletes, junior development, senior internationals, masters, and athletes with disabilities. This coaching experience has shaped what I believe athletics offers us all.

Good athletics isn't built in a single competition. It's built session after session, over years, by coaches who understand and empower their athletes through quality coaching programmes. If there's one thing I'd ask every club to prioritise this season, it's investing in your coaches. Support the ones you have, encourage new people to coach, and make the most of the education opportunities in our region (see pg.10). Coaching capacity is one of the best long-term investments any club can make.

This thinking is behind the WBOP Open Meet Series, which are deliberately designed for development. With non-standard distances, event combinations, and the chance to compete without pressure, we encourage athletes to try events outside their usual programme, and to learn what racing, jumping, or throwing feels like in a safe environment. Variety, alongside the right amount of competition, is an essential part of an athlete's development.

I'd encourage every club to think about who's missing from your club nights. Is there a young athlete who hasn't found an event they enjoy yet? A parent who'd make a great official or coach if simply asked? Growing our sport isn't only about the athletes on the start line - it's about widening the circle of people willing to help and give something back.

We appreciate everything you do for your clubs and athletes across the region. I'm looking forward to a strong season, and to seeing many of you at Porritt Stadium and Tauranga Domain over the months ahead.

Ngā mihi, yours in sport

Debbie Strange

Operations Committee

The Operations Committee is appointed annually at the AWBOP Annual General Meeting and is responsible for the day-to-day delivery of our competitions and events, from the Open Meeting Series through to Championships. Made up of representatives from across Track & Field, Road & Cross Country, Masters, Officials, Coaching, Youth, Para, and Children's Athletics, the committee works alongside AWBOP staff to support opportunities for athletes, officials, and coaches, and coordinates the selection and management of teams representing our region at national events. Its role is central to keeping athletics accessible and well-run across the region, for all ages and abilities.

*If a club is not on this list, they are not a current affiliated member of Athletics Waikato-Bay of Plenty or Athletics New Zealand.	

Club Membership & Transfers

Membership: Athletes need to hold a Competitive Membership with an affiliated club within our Centre to be eligible for Championship honours, or to represent our Centre at National events.

Transfers: Athletes can transfer clubs, either within our Centre or to a club within another NZ Centre. Transfers are completed online using the membership registration system (Gameday). Please contact your club registrar for further details.

Team Representation & Selection

The Operations Committee will appoint a Selections Sub-Committee when necessary to select teams for national events.

Arbitration & Disputes

The Centre will appoint an independent Hearing Body compiled to address any complaints or disputes (AWBOP Constitution, Clause 21). The Hearing Body has delegated authority from the Board to investigate, hear, and determine disputes or apply appropriate sanctions in accordance with the rules of natural justice.

1. WHAT CONSTITUTES A DISPUTE?

- **Misconduct:** A Member, an Officer, or the Centre has engaged in misconduct.
- **Constitutional Breach:** A Member or Officer has breached, or is likely to breach, a duty under the Constitution or the Incorporated Societies Act 2022.
- **Rights Infringement:** A Member's rights or interests as a member (or members in general) have been damaged.

3. PRELIMINARY ASSESSMENT

The Board is committed to resolving disputes fairly, but may decide not to proceed with a Complaint if:

- It is trivial, lacks foundation, or contains no supporting evidence.
- The Complainant has a minor interest in the matter.
- The conduct has already been investigated and resolved, or there has been an undue delay in filing the Complaint.

5. NATIONAL REFERRALS (ATHLETICS NEW ZEALAND)

The AWBOP Board will refer the Complaint to Athletics New Zealand if the dispute relates to a breach of national rules, regulations, policies, or the national Code of Conduct. In all other matters, AWBOP will promptly notify Athletics New Zealand of any formal Complaint it receives, even when managed locally. All final decisions by the Board (or appointed Body) are final with no right of appeal.

2. HOW TO LAUNCH A COMPLAINT

- **Submission:** Submit written notice of a 'Complaint' to the AWBOP Board, via the General Manager.
- **Explicit Intent:** Provide a written notice stating you are initiating the formal Disputes Procedure.
- **Content Requirements:** Must state the specific allegations, identify the individual or club the allegation is made against, and include factual evidence to fairly advise the Respondent.

4. MANDATORY NATURAL JUSTICE

Both Complainant and Respondent hold a constitutional right to be heard before any decision is made:

- **Fair Notice:** The Respondent must be fully advised of all allegations and given adequate time to prepare.
- **Right of Reply:** The Respondent must be given a reasonable opportunity to be heard in writing, or at an oral hearing if deemed necessary.
- **Consideration:** Written submissions must be formally considered.

Member Code of Conduct

By registering as an athlete, official, coach, or volunteer, you formally agree to abide by the Athletics New Zealand National Code of Conduct and maintain the highest standards of integrity, sportsmanship, and safety. All members are bound by seven foundational pillars:

1. RULE COMPLIANCE	Comply with the constitution, bylaws, policies, rules, and regulations of Athletics NZ, including the Safe Sport for Children, Member Protection, and Integrity Regulations.
2. COMPETITIVE RESPECT	Acknowledge and respect the World Athletics (WA), World Para Athletics (WPA), and Athletics NZ Rules of Competition, embracing both the spirit and letter of the rules.
3. SPORT LEADERSHIP	Demonstrate sportsmanship, ethical conduct, and constructive sports leadership through all spoken words and actions on and off the competitive arena.
4. MUTUAL RESPECT	Treat everyone with kindness, courtesy, and respect, refraining from negative/disparaging remarks, bullying, or discrimination of any kind, respecting basic human rights.
5. LEGAL COMPLIANCE	Always comply with New Zealand laws, and the local laws of any countries visited while traveling as part of an official regional or national representative team.
6. PROFESSIONAL IMAGE	Refrain from conduct that may bring the Centre, or ANZ into disrepute. Under national policy, members must not consume alcohol or use tobacco/vaping products at competitive events.
7. COLLABORATIVE SPIRIT	Work in a spirit of constructive cooperation with teammates, support staff, administrators, and event organizers, actively assisting less experienced colleagues and competitors.

Safeguarding Standards

Principles & Duty of Care

Fundamental Right: Everybody has a right to have fun, be included, and be safe in our sport. Participants must feel respected, valued, and encouraged to enjoy athletics.

Duty of Care: AWBOP, clubs, and coaches hold a formal duty of care to ensure young and vulnerable people participate safely in all activities we provide.

Mandatory Vetting: Coaches and regular volunteers must hold active memberships, clear Police Vetting, and complete the World Athletics Safeguarding course.

Prevention Focus: Safeguarding is a proactive approach to prevent harm. Club Presidents or designated Officers act as primary points of contact for safeguarding concerns.

Step-By-Step Reporting Pathway

Step 1: Local Triage	Contact your club's Safeguarding Officer or President. Minor concerns are assessed and triaged at the club level first.
Step 2: Formal Written Notice	Serious disputes must be submitted as a written Complaint to the AWBOP Board, channeled through our Safeguarding Officer.
Step 3: Board Hearing Body	The Board assesses allegations. Valid disputes are referred to an independent Hearing Body (Arbitration Panel) convened to neutrally resolve issues.
Step 4: Mandatory ANZ Referral	Complaints involving breaches of Athletics NZ rules, safeguarding codes, anti-doping policies, or the Code of Conduct must be referred directly to Athletics NZ.

Critical Emergency Contacts & Channels

Immediate Safety Risk (Child Protection):	If you suspect a child or vulnerable person is suffering (or is at risk of) harm, abuse, or neglect, you must bypass sporting channels and immediately report to the NZ Police (111) or Oranga Tamariki (0508 326 459).
AWBOP Sport-Related Complaints & Welfare Channels:	To file a complaint or safeguarding concern, contact AWBOP or Athletics NZ Safeguarding Officer directly: • AWBOP Safeguarding Officer Barrie Jennings barriej@athleticswbop.org.nz 027 2634578 • ANZ National Safeguarding Officer Kirsten Kilmister safeguarding@athletics.org.nz 022 011 6771

Coach Education & Development

Clubs across Waikato-Bay of Plenty are building a strong base of coaches, reflected in the results achieved by our school, club, and Centre athletes. We're grateful to every volunteer coach sharing their time and knowledge to keep that progress going.

Athletics New Zealand offers a coach education pathway for those starting out or looking to build on existing skills:

<https://athletics.org.nz/club-athletics/>

Get Set Go – For ages 3–8. Fun, developmentally appropriate activities building fundamental movement skills through play, supported by resources for parents, teachers, and coaches.

Run Jump Throw – For ages 6–11. The entry point into athletics-specific skills, using modified equipment and games in a fun, inclusive setting that lets kids progress at their own pace.

Coaching Athletic Development (CAD) Level 1 – Athletics NZ's community-level programme, bridging Run Jump Throw and competition athletics. Covers the technical fundamentals of 11 events, equipping coaches to confidently work with U18 athletes. Delivered as practical 2-hour workshops per event module, including assessment by a Coach Educator, leading to a CAD Level 1 certificate.

Officials Education

Grab the best seat in the house!

Officials are essential to every meeting we run, and officiating is a flexible, rewarding way to give back to the sport – attend as many or as few events as your schedule allows, and get a front-row seat to the action. We especially encourage young people to get involved.

Athletics New Zealand's officials' education scheme (ANZOES) provides training and a pathway to progress your qualifications:

- ♦ **Level 1** – the entry point, suited to club nights, ribbon days, and inter-club competitions.
- ♦ **Level 2** – for those who've completed Level 1, required online learning, and further practical experience (6 competition days above club-night level), ready to learn specific event modules.
- ♦ **Level 3** – for experienced officials with the Level 2 practical skills card and experience days completed, held for at least a year.

Officials can qualify across Jumps, Throws, Track, Walks, Out-of-Stadia, Administration, Measuring, and Para athletics.

Find a course at: <https://athletics.org.nz/club-athletics/coaching-officials-volunteers/>

To arrange training for your club, contact;

Maxine Chappell, Officials Development Officer

E: maxine@athletics.org.nz or **P:** 021 262 8867.

WBOP Open Meet Series

Open Meeting Philosophy

The WBOP Open Meet series is more than a collection of competitions – it is a core part of the **athlete-development pathway** across the season.

The programme is deliberately structured to build in progressions, particularly early in the season, for developmental and training purposes. Non-standard distances and events feature throughout, giving athletes the chance to build **event-specific skills and race experience** without the pressure and scrutiny of championship competition.

We encourage athletes to **enter more than one event** at each Open Meeting. Programmes are designed around common event pairings, so that entering multiple events **supports an athlete's training and development**.

We also encourage athletes to **take part in relays** whenever they're offered. Relay teams are organised on the day at the meeting. If your club has a strong contingent at the meeting, liaise with your team manager or club coach; otherwise, speak with the Meeting Manager at the venue and we'll help get you into a team.

Entry Information

All WBOP Open Meetings are listed on our website events calendar. Locate the meeting from the listing, where you'll find the entry link specific to that meeting: <https://athleticswaikatobayofplenty.org.nz/competition/events/>

Entries are made directly through **Athletic.net**. If this is your first time entering a WBOP Open Meeting, your athlete profile will be created when you complete your first entry. Returning athletes will find their profile from previous seasons still in place.

Each time you compete, your result is recorded to your Athletic.net profile. Beyond giving you a record of your season, this history is used by Event Management to seed heats by ability where multiple races are held. There's nothing you need to do to manage this – it updates as you compete.

How Events Are Run

- ♦ **Seeding:** Where an event has multiple races (e.g. 100m), heats will generally be seeded by ability rather than by age grade.
- ♦ **Combined races:** For non-laned events, where athlete numbers allow it to be run safely, genders and age grades may be combined into a single race.
- ♦ **Safety and officiating:** Event Management's priority is always safe competition for athletes and spectators. We aim to have sufficiently

qualified officials at every meeting; along with experienced volunteers assisting with delivery. You will always receive your result.

- ♦ **Volunteering:** Athletics meetings rely on volunteers to help with setup, pack up, and during the meeting. Please get in touch if you would like to be on our volunteer roster or simply make yourself known when you are at an Open meeting.
- ♦ **Records & Standards:** If you believe you're in form to attempt a New Zealand or international record, or a qualifying standard for international competition, please contact Event Management ahead of the meeting so we can ensure the right level of officiating is in place.

Event Scheduling Inclusions

The event schedule across the WBOP Open Meeting series is designed around two consistent principles that run through the whole season:

- ♦ **Event combinations:** Programmes are built so athletes can enter more than one event per meeting, supporting training and development goals.
- ♦ **Event variety:** Non-championship events feature throughout, giving athletes the chance to compete in events outside a traditional programme.

In building the season's schedule, consideration has been given to:

- ♦ **October–November (early season):** athletes preparing for the NZ Secondary School Championships in December.
- ♦ **January–March (mid-season):** athletes progressing toward the NZ Track & Field Championships and preparing for various Classics around the country.

Meeting Fees

Category	Fee
♦ Club Registered Athletes (current membership to WBOP affiliated club)	\$11.00 + \$2.00 per event entered.
♦ Secondary School Athletes (who are not a WBOP club member)	\$16.00 + \$2.00 per event entered.
♦ Unattached Athletes (who have no club membership)	\$22.00 + \$2.00 per event entered.

Scratching & Refund Policy

- ♦ Entry fees for the WBOP Open Series and the Waikato-Bay of Plenty Track & Field Championships are non-refundable. We keep entry fees low and accessible across the season, and the admin cost of processing individual refunds isn't viable within that model.
- ♦ If you know in advance you won't be competing, please advise Event Management so heats can be seeded accurately. On the day, athletes unable to compete should notify the Meeting Manager as early as possible – this helps the meeting run smoothly for everyone.

WBOP Open Meet Series – Season Schedule

The Open Meet Series for **2026-27** comprises **10 events**, to be held in Hamilton (Porritt) and Tauranga (Tauranga Domain). The program for each meeting is listed below, however it is important to note this schedule is in list form only, rather than a timed running order. For an accurate timed schedule and running order, refer to the event section on our website:

- ♦ <https://athleticswaikatobayofplenty.org.nz/competition/events/>

♦ Pole Vault	No competition		
♦ Weighted Throw	20 February 2027	Hamilton	♦ M/W-Mast

Entry & Athlete Information

Athletes can enter using the official registration platform, which is on the Athletics Waikato-Bay of Plenty website, in the events calendar section for each meeting date.

<https://athleticswaikatobayofplenty.org.nz/competition/events/>

CLOSING OF ENTRIES: Refer to the event calendar for dates specific to each meeting.

UNIFORM: For all Championship events, athletes must wear their Club Uniform to be eligible for honors.

CHECK IN: Athletes are to report to the officials' desk as soon as possible to confirm their intention to start, or to notify a scratching.

GRADE ELIGIBILITY: Athletes can enter a maximum of two grades - their own and one above. *Refer page 23 for age grading information. The youngest age that can compete in the Championships is 13 in U16 grade.

RELAY ENTRIES: Club relay teams should be submitted on event day, at least 1 hour prior to start time.

Age Grading Specifications

Athletics Waikato-Bay of Plenty Open meetings and Championship events are typically for athletes who are 14 years or older. For some Open meetings which do not clash with Ribbon Day meetings run by Childrens Athletics, grade 13 athletes will be eligible to enter.

GRADE	ELIGIBILITY
♦ Under 16 (W/M)	♦ 31 st December 2026 *see special note below ♦ Minimum age 14, Maximum age 15
♦ Under 18 (W/M)	♦ 31 st December (year of competition) ♦ Minimum age 15, Maximum age 17
♦ Under 20 (W/M)	♦ 31 st December (year of competition) ♦ Minimum age 16, Maximum age 19
♦ Senior (W/M)	♦ 31 st December (year of competition) ♦ Minimum age 18
♦ Masters Women 30+	♦ Age on competition day 5-year age brackets
♦ Masters Men 35+	♦ Age on competition day 5-year age brackets
♦ Para U17 (M/W)	♦ 31 st December (year of competition) ♦ Minimum age 13, Maximum age 16
♦ Para U20 (M/W)	♦ 31 st December (year of competition) ♦ Minimum age 17, Maximum age 19
♦ Para Senior (M/W)	♦ 31 st December (year of competition) ♦ Minimum age 18

Under 16 Grade - Special Note*

Waikato-Bay of Plenty Centre has an U16 grade with age determined as of 31st December 2026, with athletes remaining in this grade for the duration of the season (through to Apr '27). This grading applies to AWBOP managed events such as **Open meetings** and **Waikato-Bay of Plenty Championships**.

*It is important to note that for events not managed by AWBOP, such as the NZ Track & Field Championships, the U16 grade is determined from the year of competition. This means for the 2027 NZ Championships (held in March 2027), an athlete is determined U16 as of 31st December 2027.

Athletics Waikato-Bay of Plenty Records*

Centre records are based on the age of the athlete at the time of performance (rather than the Age Grading system). *Current at Sept 2026.

Under 18 - Male

Record Claim Procedure

Athletes or clubs believing a Centre record has been broken should submit a claim to the AWBOP administrator at administrator@athleticswbop.org.nz.

Please include:

- ♦ Athlete's full name, club, and age at time of performance.
- ♦ Event and performance (including wind reading, where applicable), along with a link to online results verifying the mark.

Claims will be checked against the current record and confirmed once verified. Updated records are reflected in the following season's handbook.

AWBOP Track & Field Trophies

TROPHY NAME	DESCRIPTION	RECIPIENT 2025-26
Gallichan Cup	Most points SM, SW, U20M, U20W	Alicia O'Connor

New Zealand Track & Field Championships

The grand finale of the Summer Circuit calendar, the New Zealand Track & Field Championships! This event sees New Zealand's top athletes compete for national glory across the full range of track and field disciplines.

Date: 11-14 March 2027

Location: Trusts Arena, Waitakere, Auckland

Grades: U16, U18, U20, Senior, Para (as at the 31 December 2027)

Eligibility:

- ♦ Athletes must hold a current club membership with an Athletics New Zealand affiliated club.
- ♦ Athletes compete at the New Zealand Championships representing the Centre that their club is affiliated with.
 - In certain circumstances, an athlete may apply to compete for their Centre of Origin, defined as the Centre where they were first registered with Athletics NZ. Requests must be submitted in writing to the Athletics NZ Dispensation Committee no later than the entry deadline for the Championships.
 - Dual representation is not permitted – you cannot compete for two Centre's at one Championships.
- ♦ Athletics New Zealand publish entry standards (refer the link below for current standards).

Entry: Athletes are responsible for completing their own entries, via the Athletics New Zealand website.

<https://athleticsevents.co.nz/summer-circuit/nz-track-field-championships/>

Relays: Competing athletes will be expected to be available for WBOP Relay teams if selected.

Athlete Subsidies: The Centre will provide a \$50.00 subsidy for athletes who compete at the New Zealand Track & Field Championships.

- ♦ **Criteria:** Athletes are required to compete at the Waikato-Bay of Plenty Track & Field Championships, 20 February 2027, to be eligible.
- ♦ **Payment:** The subsidy will be paid directly to the athletes nominated account once the NZ T&F Championships have concluded.

Secondary Schools Para Athlete Information

At Secondary School competitions, athletes compete in the unimpaired Intermediate (Under 16) or Senior (Under 19) grades for field events using the Para Athletes weights. Track events will be run separately as scheduled unless low numbers make it sensible to compete in combined races.

Para athletes will have a track classification (T) and/or a field classification (F). The following track and field classifications relate to the following impairments.

CATEGORY	DESCRIPTION
♦ T11 – T13 and F11 – F13	Visual Impairment (VI)
♦ T20 and F20	Intellectual Impairment (II)
♦ T32 – T38 and F31 – F38	Cerebral Palsy and Neurological Impairments (CP)
♦ T40 – 41 and F40 – 41	Short Stature (SS)
♦ T42 – T47 and F42 – F46	Amputees and Other Impairments (AO)
♦ T51 – T54 and F51 – F57	Wheelchair and throwing frame user (WC)
♦ T61 – T64 and F61 – F64	Athletes competing with prosthetic lower limbs (PL)
♦ T71 – T72	Frame running for coordination impairments (FR)
